

# I Am Loved

God loves me, God loves me. He cre - a - ted me to be es - pe - cial - ly you see.  
God is true, God is true. He makes us all new. Don't you want Him too?  
Please say yes, please say yes. You don't have to guess who can Je - sus bless?  
We are His, we are His. He loves to share and give, our hearts are where He lives.  
I am loved, I am loved. God sees me from a - bove. He sends me all His love.
