The Lord is build-ing an ar - my; He's com-ing in pow - er and might. With

just-tice and truth He will con - quer, He will lead us in-to the fight. The

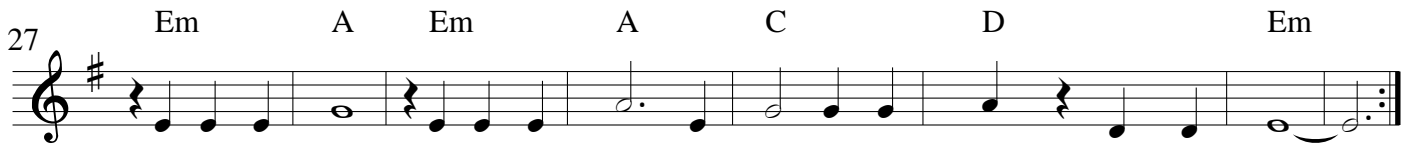

pow - ers of e - vil will trem - ble. All will bow to His name.

Je - sus, our migh - ty Mes - si - ah, the King of glor - y will reign!

I have my shield, I have my sword. I will do bat-tle for you, Lord!

I will be bold, I will be strong, for you are my strength, you're my song!

Let us cast off the sin that be-sets us, and make rea-dy our weap - on of praise.

Sound the trum - pet for bat - tle, His ban - ner of right - eous - ness raise!
